

Double Multifunction Oven, ProSight™ Control

Product Details

FEATURES

ProSight™ display	Dual cavity cooking	IsoFront™ cool door	MaxiView™ Enlarged Window
CataLuxe™ cleaning	OptiFlex™ telescopic runners	Rotitherm Roasting	True fan cooking program
Anti-fingerprint stainless steel	Exceeds European A class energy rating		

BENEFITS

ProSight™ display View the time, cooking mode, temperature and all the information you need right at your fingertips, with this large LCD touch-control display.	Dual cavity cooking Our AEG double oven offers you an additional cooking compartment, giving you total flexibility in the kitchen.
IsoFront™ Cooler Door The multi-layered glass panes, with reflective coating, keep the heat in the oven while the outside of the door remains cooler to touch.	MaxiView™ Enlarged Window The enlarged window on the door is 20% larger than previous models, so now you can see exactly whats happening throughout the entire cooking process.
CataLuxe™ cleaning CataLuxe™ liners absorb the grease during cooking. When the oven is heated to 220C, the grease residue leftover is oxidised, leaving the surface clean, your appliance looking great and performing at its best.	OptiFlex™ telescopic runners These specially designed shelf runners are shaped to make it easier to select and adjust the cooking level you require.

Specifications

PRODUCT PROFILE

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
