Westinghouse FlexSpace™
refrigerator

Spring loaded bottle lock

Clever grip design

BENEFITS

Customise your refrigerator with FlexStor™ accessories
Suitable for any refrigerator in the FlexSpace™ range, this
clever accessory allows you to customise and maximise the
storage in your refrigerator.

Keep your bottles in place
The spring loaded bottle lock allows you to stack multiple
bottles in the one place without them rolling around on the
shelf.

Clever design
Round shapes on flat surfaces are prone to rolling. Thanks to
the design of the bottle lock, bottles are gripped in place,
meaning maximum support even when multiple bottles are
stacked on top of each other.

A perfect compliment for your refrigerator
The bottle lock accessory perfectly matches the colour and
shine of all of the furniture within your fridge.
