

ICBIW-30R

FEATURES

Rigorously tested in our U.S. manufacturing facilities to ensure decades of use

Exceptional support from Customer Care team

Custom front panel and hardware allow for infinite design options.

Dual evaporators for constant, moderate humidity so corks don't dry out

Two independent temperature zones hold reds and whites at proper serving temperature

Bronze-tinted, UV-resistant glass protects against light exposure

Soft-on LED lighting illuminates gradually

Wine racks accommodate 750 ml bottles, half-bottles and magnums.

Intuitive touch control panel keeps temps within one degree of set point

Home security system connection

Star-K compliant with installation of a harness kit.

Illuminated display rack for prized bottles of wine.

Full-extension, easy-glide racks provide access without agitating wine

New inventory tiles system lets you label wine racks for easy ID
