BIC78F

Description

78cm, 4 Zone (Left Flexi Zone) Induction Cooktop, Slide Control, Bevelled Edges

Warranty

BLANCOCare™ 2 years parts & labour

Features

Benefits

Left Flexi Zone

Allows the use of different shapes of pots - long, large, irregular or rectangular and any number of pans on the 38cm flexi zone.

Two Powerful 3700W Zones

Two powerful individual zones that are strong enough to cook even the most heat demanding dish.

13 Stage Temperature Settings

With 13 different settings including Boost, Super Boost, Melting 42°C, Keep Warm 70°C you can select the ideal cooking temperature for all types of foods to provide the perfect cooking results.

Additional Functions [F]

With the touch of the 'F' key, the preset Melting 42°C and Keep Warm 70°C, are activated. This allows perfect control at the relevant preset temperature. This can be set for all 4 zones independently.

Boost and Super Boost Functions

Convenient feature on all 4 zones where 'Boost' and 'Super Boost' can be selected to bring the zone to the maximum power level and will stay on maximum power for 10 minutes (unless deactivated) before dropping back to to power level 9.

60cm Cut Out

A convenient feature to allow this larger sized cooktop fit into a 60cm cut out size. no extra work required if replacing a previous 60cm model.

Stop N Go Function

This function pauses the cooktop but maintains the current cooking level in its memory which can be resumed at any time. A convenient and unique function.

Specifications

Method Of Installation:	Benchtop
Dimensions:	780W x 520D mm
Cut-out Size:	560W x 490D mm
