

ASSEMBLY INSTRUCTIONS

TOGETHER FIXED TABLE BY STUDIOILSE

PARTS

1x tabletop
2x leg frames

HARDWARE

(12x) M8x60 caphead screws (12x) washers

YOU WILL NEED

6mm Allen Key
The help of a partner

NOTES

NOTE 1: Be certain that all assembly is carried out on a flat and stable surface. This will ensure a good final result. Reverse the steps to disassemble the piece.

NOTE 2: Your furniture arrives packed in numerous layers that protect it during transport. It is important that you remove the packaging carefully to avoid damaging your furniture. Refer to our information sheet "Unpacking Your Furniture" for further details.

NOTE 3: Great care is required when assembling our products as they can mark easily if banged or dropped. Use blankets to soften the assembly surface - hard surfaces such as wood or stone flooring may damage the furniture if in direct contact.

NOTE 4: We advise that assembly and disassembly of De La Espada furniture is undertaken by a minimum of 2 people.

NOTE 5: When screwing in bolts, tighten well, but be sure NOT TO OVERTIGHTEN. This can cause the thread to strip thus resulting in a poor connection.

NOTE 6: All mating parts are numbered. You will ensure the best possible fit if all parts are mated with the corresponding numbered parts.

TOGETHER FIXED TABLE

INSTRUCTIONS

1. ATTACH THE LEG FRAMES TO THE TABLETOP

a) Place the tabletop face down onto a softened surface, such as a blanket, on the floor.

b) Take one leg frame, turn it upside down, and align the holes with those on the underside of the tabletop. Make sure that the numbers on both components match to ensure a good fit. Insert an M8x60 caphead screw with washer into each of the six holes and tighten firmly with a 6mm Allen key.

c) Repeat the above process to attach the second leg frame.

2. PREPARE THE TABLE FOR USE

a) With the help of a partner, flip the table into its natural upright position. Please ensure that the table is not rested on two legs as it is flipped over as this may cause damage to the table.

b) Assembly is now complete and the table is ready for use.
