

80cm 5 zone induction cooktop with Wi-Fi connected CookSmart Touch display, built-in assisted cooking functions and wireless food sensor probe

Product Details

FEATURES

CookSmart Touch
CookSmart Touch guides you to cook perfect meals.

Assisted Cooking
Assisted cooking with a variety of auto settings.

SensePro Wireless Food Sensor

SenseBoil&Fry
Smart sensors detect boiling and frying temperatures and adjust level automatically.

Wi-Fi Connectivity

FlexiBridge
FlexiBridge enables you to combine zones for large skillets or split zones when cooking more dishes.

Bridge
The Bridge function allows you to connect two cooking zones to fit large pots or long pans.

PowerBoost
PowerBoost provides an instant burst of heat that is perfect for boiling potatoes or searing steak.

Hob2Hood
Hob2Hood automatically adjusts your hood settings so you can focus on creating delicious dishes.

BENEFITS

Your personal sous chef
The SensePro wireless food sensor gets every dish right by measuring the core temperature of your food. Boil pasta, simmer sauce, pan-fry a steak rare, medium, or well-done, and even cook with sous-vide. SensePro is your personal sous chef to help you deliver restaurant-style results at home.

COOK WITH CONFIDENCE
Take charge of the entire cooking process with the CookSmart Touch Display. Use the responsive TFT display and intuitive swipe navigation to select the temperature, cooking zones, and other smart functions. Connect the hob with the AEG app to further enhance an effortlessly controlled cooking experience.

Effortless cooking

Master culinary techniques with ease and achieve outstanding results with AEG assisted cooking functions. Dishes provides step-by-step instructions and automatic settings for your chosen dish. Functions is assisted cooking starting with the desired method, to Fry, Boil and Melt without the guesswork. Simplify cooking and expand your repertoire and your culinary confidence.

CUSTOMISE YOUR COOKING AREA

The FlexiBridge is ideal for when youre working with large pans or preparing many dishes at the same time. Customise cooking area for a long pan or cook lots of dishes separately at different temperatures with this fully adaptable zone.

CONNECTED EXPERIENCE, EFFORTLESSLY

Connect your hob to the AEG app to take cooking to the next level of effortless efficiency. Remotely control and monitor your hob from anywhere. Receive notifications on your device for hob maintenance and usage, and step-by-step cooking instructions for featured recipes. Get connected to enhance your kitchen experience and get the most from your AEG hob.

SLIDE FROM SEAR TO SIMMER

The PowerSlide function allows you to slide your pots between the three pre-set temperature zones so that you can easily control the cooking levels. This is ideal for bringing sauces to the boil, simmering and then keeping warm for delicious results.
