

DE LA ESPADA

## 265 SUITE BED

By Autoban

Initially designed for Autoban's Witt Istanbul Suites project, Suite Bed features a dramatic wrap-around timber headboard, the inner face softened by upholstery.

### **MATERIALS**

#### TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.

#### UPHOLSTERY

Our full standard range of fabric and leather options. COM and COL available upon request.

### **NOTES**

Platform base consists of several individual timber slats, set approximately 5cm (2") apart.

Please note that when using leather to upholster the expansive surface of the headboard, our craftspeople will use their discretion to ensure the natural variations in the hide's colour and grain are most elegantly displayed. This may mean adding stitch lines to the headboard.
