Performance

- Glass Zone: specially designed nozzles providing a gentle yet thorough clean to your glassware
- Zeolith® Drying Technology - Unique ground-breaking drying technology. Harnessing the power of Zeolith®, which has the ability to absorb moisture and convert it to heat. Technology inside blows this hot air throughout the dishwasher cavity, providing an outstanding drying force. The remarkable regenerative properties of

Zeolith® means it will never wear off, and will work for the entire lifetime of the machine.

- hydroSensor: Automatic water turbidity detection
- DosageAssist ensures perfect cleaning results with every wash cycle. The tablet is dropped into a specially engineered tray and is completely dissolved
- 3 stage self-cleaning filter system: Design that helps reduce the need to wash the filter and prevents blockages
- Heat Exchanger - Hygienic and efficient drying.
- iQdrive: The quietest, fastest, & most durable brushless motor ever built by Siemens
- 5 Spray levels for maximum water contact and optimum wash results

Flexibility

- varioDrawer Pro: Third loading level for cutlery & utensils
- flexComfort Pro baskets with blue coloured touchpoints, easy to identify flexing and moving parts
- rackMatic Plus: 3 stage height-adjustable upper basket
- Low friction wheels on bottom basket
