LCIMOD80X

Clear Cube Outdoor Ice Maker – 36 kg/24h

Cuvee Fresco

Signature Features

Built for Outdoor Living

Foamed door with AISI 304 stainless steel panel, built to withstand weather and humidity.

Up to 36 kg of Ice per Day

40 crystal-clear cubes every ~10 minutes, 30 kg/24h even in high heat.

12 kg Insulated Ice Bin

Removable bin with infrared full-bin sensor – production stops automatically.

Clear Cube Technology

Flowing-water vertical grid freezes layer by layer for hard, clear, slow-melting cubes.

Built-in Drain Pump

Install it wherever you entertain: the pump evacuates melt water automatically.

Easy Care

One-touch 20-minute self-cleaning cycle, FDA food-contact materials, ice scoop included.

LCIMOD80X

Clear Cube Outdoor Ice Maker – 36 kg/24h

Cuvee Fresco

Feature Highlights

Digital Control Panel

Start, stop and fine-tune ice thickness from the intuitive digital panel. Clear indicators show when the bin is full or the self-cleaning cycle is running.

Flowing-Water Grid System

Water flows continuously over a vertical evaporator grid, freezing layer by layer to produce crystal-clear, restaurant-quality cubes that melt slowly.

LCIMOD80X

Clear Cube Outdoor Ice Maker – 36 kg/24h

Cuvee Fresco

Technical Specifications

GENERAL

Reference: LCIMOD80X
Range: Cuvée Fresco – Outdoor
Type: Clear cube ice maker
Installation: Built-under
Climate class: N-ST
EAN: 0698147433265

ICE PRODUCTION

Output: 36 kg/24h (21°C air / 10°C water)
High load: 30 kg/24h (32°C / 21°C water)
Cubes per cycle: 40 – cycle approx. 10 min
Cube: clear square, approx. 8 g
Principle: flowing water vertical grid
Ice thickness adjustment: Yes

ICE STORAGE

Bin capacity: 12 kg
Bin type: Thermally insulated
Removable ice bin: Yes
Full-bin sensor: Infrared

DOOR

Door: 1 solid foamed door, left opening
Panel: Stainless steel 304
Reversible: No
Handle: 304 stainless steel, vertical, left
Lock: No

WATER & DRAINAGE

Drainage: Built-in drain pump
Water shortage: Compressor auto shut-off
Integrated water filter: No

CLEANING & HYGIENE

Self-cleaning cycle: Yes – 20 min
Removable water distributor: Yes
Food-contact materials: FDA
Accessory: Ice scoop included

DISPLAY & LIGHTING

Display: Digital, white, inside
Power switch & light button: Yes
LED strip x1, white, 15 W

DIMENSIONS & WEIGHT

Outside (W x H x D): 380 x 870 x 582 mm*
Interior (W x H x D): 305 x 473 x 405 mm
Net weight: 34.5 kg
Adjustable feet: 4 (5 mm)
Wheels: No
*Depth without handle

PACKAGING & LOGISTICS

Packed (W x H x D): 430 x 920 x 645 mm
Gross weight: 37 kg
Carton volume: 0.26 m^3
Container loading: 110 (20') / 220 (40') / 262 (40' HC)

ELECTRICAL & ENERGY

Voltage / Frequency: 220 V / 50 Hz
Power / Current: 320 W / 2.5 A
Energy class: G
Noise level: 42 dB
Plug: AU – cable length 1.8 m

CONSTRUCTION & MATERIALS

Interior: White ABS
Exterior: Stainless steel 304 door panel
Insulation: Polyurethane (cyclopentane)
Refrigerant: R290 – 33 g
Anti-vibration system: Yes
Removable aeration grid: Yes

CERTIFICATION & WARRANTY

Certifications: RCM (Electrical Safety & EMC)
Warranty: 2 years parts and labour
Production country: China
