Smart Food Probe	Pyrolytic self-cleaning oven	PyroProof runners	Auto programs
Slow cooking and dough proving function	SoftMove	Huge 125L gross capacity oven	

BENEFITS

DELICIOUS FRYING WITH MINIMAL OIL

The mesh design of the Air Fry Plus tray allows super-heated air to crisp the surface of food to deliver a mouth-watering fried taste and texture with little to no oil. Steam is added during the cooking process to help retain moisture inside the food, whilst the outside becomes deliciously crisp and golden.

NEXT-LEVEL BAKING WITH STEAM

With SteamBake, you can create bakery-style bread in your own home. The added steam allows dough to rise more effectively than conventional heating. The steam helps to create an exquisitely soft centre, while the combination of hot air delivers deliciously glossy crusts.

NO NEED FOR ELBOW GREASE

High temperature pyrolytic cleaning burns away oven grease and grime for easy cleaning, without any need for water or chemicals. Simply set the pyro program and wipe the oven clean afterwards. The oven door is also quadruple-glazed to reduce the temperature of the door during cleaning.

PYRO-PROOF RACKS & RUNNERS

For easy cleaning, the pyro-proof side racks and double action telescopic runners do not need to be removed when you select a pyrolytic oven cleaning program, simply remove the trays and shelves and clean away.

PROGRAM FOR PERFECTION

Select from a large range of programs, input the weight or insert the food probe, and let the oven do the rest. Whether you're cooking roast potatoes with crispy skins, tender steaks, succulent roast chicken, or pizza for a crowd, the oven will adjust the cooking function, time and temperature to deliver the best possible results, adding steam whenever necessary.

GENTLY OPENS. QUIETLY CLOSES.

The SoftMove door allows for an efficient and pleasant interaction with your oven. The door will maintain an angled open position if needed and will close softly and quietly with a gentle push.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Type of Oven	single pyrolytic (pyroluxe) oven
Oven fuel	electric
Materials/Colour	black,Dark stainless steel
Controls of Oven	TFT touchscreen
Cooling fan	Yes

FLUSH FIT CUT OUT

Flush fit cut out height (mm)	600
Flush fit cut out width (mm)	900
Flush fit cut out depth (mm)	580

DIMENSIONS

PRODUCT DIMENSION

Total height (mm)	596
Total width (mm)	895
Total depth (mm)	572

MAIN OVEN
