

CO4927S

Width: 900 mm
Capacity (m³/h): 820 m³/h

Colour

Housing: Varnished metal sheet
Stainless steel

Features

4 venting speeds
Stainless steel grease filter
Control setting: Button control
LED illumination: 2 × 2 W
No return airflow flap: 150 mm

Features

Grease filter indicator

EAN code: 3838942065576
code: 511986

Basic informations

Electronic control
Capacity (m³/h): 820 m³/h
4 venting speeds
Number of filters: 3
Control setting: Button control

Dimensions and installation

Height of product without chimney: 30,1 cm
Dimensions of the product (W×H×D): 90 × 30,1 × 29 cm
Length electrical cord: 1,2 m
Weight gross: 18,6 kg

Technical information

Connection rating: 280 W
Voltage: 220-240 V
Motor location: In rangehood
Number of lights: 2
Power of lights: 5 W
