**Specifications**

It is a requirement of State Plumbing Codes that licensed plumbers carry out all tapware installations. All installations should comply with the relevant requirements of AS/NZS 3500 and local plumbing codes.

**Care and Maintenance**

[1] Product should be inspected for surface damage prior to installation. [2]Cleaning and handling of all finishes must be performed carefully. [3] For all sanitary ware surfaces clean with soapy water or a mild detergent with a soft cloth and rinse with warm water. [4] Never use harsh detergents or abrasive cleaners as these will damage the product. [5] Do not use undue pressure when cleaning. [6] For Matt surfaces such as Cristalplant, Ceramilux and Composite Stone periodical cleaning with an agent containing micro granules (such as JIF) is recommended. [7] For Wood finishes, clean with a damp lint free cloth, making sure to dry immediately after each use with no water left on the surface and in the direction of the grain. [8] Contact with harsh chemicals such as hair dye, hair bleach etc. will result in damage to the finish. [9] For further cleaning and maintenance instructions for more stubborn stains or damage please refer to the product specific care and maintenance information. [10] Damage to finishes arising from improper installation or post installation use or failure to observe the care and cleaning instructions will void all warranty agreements.

**Care and Maintenance**

[1] Product should be inspected for surface damage prior to installation. [2] Cleaning and handling of all finishes must be performed carefully. [3] Clean products using a soft cloth with warm soapy water only. [4] Never use harsh detergents or abrasive cleaners as these will damage the product. [5] Water marks and oil residue can be removed from Matt Finishes with an application of a carnauba wax based non-abrasive polish on a microfibre cloth. [6] Contact with harsh chemicals such as hair dye, hair bleach etc will result in damage to the finish. [7] Tapware should never be installed using acetone silicones. [8] Avoid the use of wax based furniture creams as this can result in a build up of deposits which will detract from the appearance. [9] Damage to finishes arising from improper installation or post installation use or failure to observe the above care and cleaning instructions will void all warranty agreements.

**Warranty**
