Minute Minder	Function control lock		

BENEFITS

SenseFry

Get the very best taste and texture when frying, every single time. To start, simply select the food and the desired result. No more guessing when the pan or oil is at the right temperature. No more heat adjustments. With the SenseFry, great taste is guaranteed.

Hob2Hood

Leave Hob2Hood to regulate the fan while you concentrate on the key moments involved in getting your dish just right. It will automatically control your rangehood's fan and lights.

ProCook

At the touch of a button, the FlexiBridge cooking zone switches to three pre-set temperature levels: high, medium and low so you can simply move the pan to seamlessly go from boil to simmer.

Combine zones to cook more with FlexiBridge

Activated by a dedicated touch key and seamlessly controlled through one control, FlexiBridge is perfect for cooking larger dishes.

OptiHeat™ control by monitoring each heat zone

The OptiHeat™ control helps you make the most efficient use of residual heat. It advises 3 levels of residual heat whether the heat zone is still hot enough to cook with, hot enough to keep food warm, or simply hot to touch.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Cooktop type	Induction
Materials/Colour	black ceramic glass
Trim finish	stainless steel

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
