

RONDO 3MAX SOFA & ARMCHAIR

- designed by Lucy Kurrein for Molinari Living

A collaboration that celebrates the art of leather working, the Rondo Collection features a sofa and chair designed by Lucy Kurrein for Molinari Living that was inspired by punching bags. Looking at household leather objects that "radiate durability and craftsmanship", Kurrein's collection will be made with top quality, thick leather that resembles the strength of a punching bag.

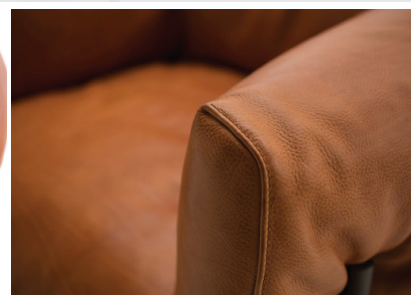

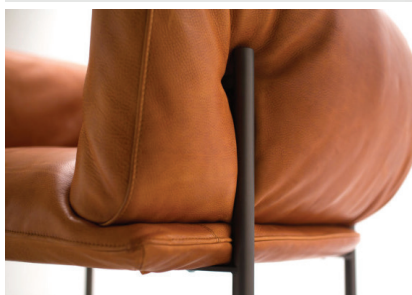

The simple legs press into the leather on the sides, showing just how soft the cushions are, inviting you to wrap your arms around it like a boxer would if it were a bag.
