

Extract the best of citrus fruits

The Citrus Press allows you to make **freshly squeezed citrus juice** with no pips and just the right amount of pulp in the blink of an eye. Complete with the no-splash lever arm, you can make your own citrus juice with ease.

With **its 2 cones** for large and small citrus fruits, the Citrus Press is ideal for juicing oranges, lemons, limes and grapefruit.

Fast and efficient

Simply place the fruit on the cone and gently push down the lever arm.

The Citrus Press can be easily cleaned and is dishwasher safe.
