

86cm integrated rangehood in dark stainless steel with PowerBoost, 740m³/hr airflow, Hob2Hood and LED lighting.

Product Details

FEATURES

Dark Stainless Steel	Hob2Hood Hob2Hood automatically adjusts your hood settings so you can focus on creating delicious dishes.	PowerBoost PowerBoost increases airflow for a couple of minutes to prevent strong odours from lingering.	Fully variable fan speed Including an intensive speed
Filter indicator Notifies you when filters need replacing to maintain optimum performance.	LED lights	Dishwasher-safe filters Dishwasher-safe filters are easy to clean and better for the environment than single use filters.	

BENEFITS

THE HANDS-FREE HOOD The Hob2Hood function controls your cooker hoods fan and lights, automatically regulating the fan leaving your hands free and mind clear to focus on cooking. If youd prefer to adjust the fan speed yourself, there are manual controls on the cooker hood too; its your choice.	LET'S CLEAR THE AIR Intense levels of extraction efficiently remove cooking odours and vapours so you can enjoy fresh kitchen air, faster.
BENEFIT FROM LONG-LASTING LIGHTING Clear, bright LED lighting comes into its own in the kitchen, making ideal task lighting when cooking over a cooktop. And more good news, it's long-lasting and energy-efficient, too.	

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Type of Rangehood	integrated
Nominal width (cm)	86
Finish of Rangehood	Dark stainless steel

DIMENSIONS

Total product height (mm)	318
Total product width (mm)	860
Total product depth (mm)	290

MOTOR/FAN

Number of fans	1
Number of fans speeds	4
Auto off	Yes
Type of motor	centrifugal
Auto fan timer	No
Maximum airflow M3/Hr	740
Noise level dB high	62
Noise level dB low	46
Wattage of motor	250

POWER

Electricity supply required (Kw)	0.252
----------------------------------	-------

DIMENSIONS

Diameter of ducting (mm)	150
Minimum installation height from cooking surface Gas (mm)	620
Minimum installation height from cooking surface Electric (mm)	600
Product Weight (Kg)	10
Cut out width (mm)	835
Cut out depth (mm)	263

CONTROLS

Control panel	electronic push button

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
