Product Details

FEATURES

Matte Black Design

SenseFry

Bridge function

PowerBoost

Hob2Hood technology

Touch and slide controls
Touch the control bar at the
necessary heat setting

STOP + GO function

Timer and minute minder

BENEFITS

SMART SENSORS, OPTIMAL RESULTS

No more boil-overs or burnt food. With SenseBoil & Fry, smart sensors intuitively lower the cooktops heat, preventing your pot from boiling over or your fried food from burning for even and consistent results

SCRATCH RESISTANT AND STUNNINGLY MATTE

Bring contemporary design to your kitchen with its matte black finish. Its tougher than standard ceramic glass, resisting scratches to stay looking newer for longer.

EXPAND YOUR COOKING SPACE

Need extra space? The Bridge function combines two zones into one larger surface, balancing heat and timing automatically. Its ideal for planchas, grill plates, or large roasting pots.

HANDS-FREE HOOD

The hoods fan speed adjusts automatically while you cook, keeping the air clean and fresh so you can focus on your favourite dishes.

SEAR. STIR-FRY. BOIL.

Instant heat when you need it. PowerBoost delivers a quick burst of heat for rapid boiling, searing, and stir-frying, then automatically adjusts to keep your cooking steady.

TIMED TO PERFECTION

Set individual timers for each cooking zone that automatically switch off when time is up. Perfect for multi-tasking, whether preparing for dinner party guests or a family gathering.

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
