Cuvée Burgundy

Welcome to the refined world of Burgundy, a line of premium wine fridges designed to embody the elegance and tradition of its namesake. The "Burgundy" range offers a seamless blend of sophistication and practicality, making it a perfect addition to any wine lover's home.

Our freestanding models ensure effortless installation with no special modifications needed, making it simple to integrate into your living space. Whether you're a budding wine enthusiast or a seasoned collector, the Burgundy range boasts an unbeatable price-to-capacity ratio that ensures you get exceptional value without compromising on quality or storage space.

Crafted with aesthetics in mind, each unit features metal shelves with wooden trim and special display areas that not only enhance the overall look but also highlight your prized bottles beautifully. These design choices ensure that every Burgundy wine fridge is not just an appliance, but a piece of furniture that enhances your home décor.

Versatile and designed to cater to a wide audience, the Burgundy range is suitable for everyone—whether young or senior, professional sommeliers or casual sippers. Embrace the art of wine preservation with Burgundy, where your wine collection can age gracefully and be ready to impress at your next gathering.

Single Zone Wine convertible beverage

Cuvée Burgundy

Signature Features

20 Bottle Capacity
• Compact and versatile, perfect for daily enjoyment or curated selections you plan to savor within 1-2 months.
• Ideal for small spaces, personal collections, or keeping favorite wines at peak freshness.

3 Wire Shelves with Wood Trim
• Sleek durability meets natural elegance – wire shelves with refined wood trim enhance stability, while maximizing airflow and storage flexibility.
• Anti-vibration design ensures quiet operation, keeping bottles securely positioned even in high-traffic environments.
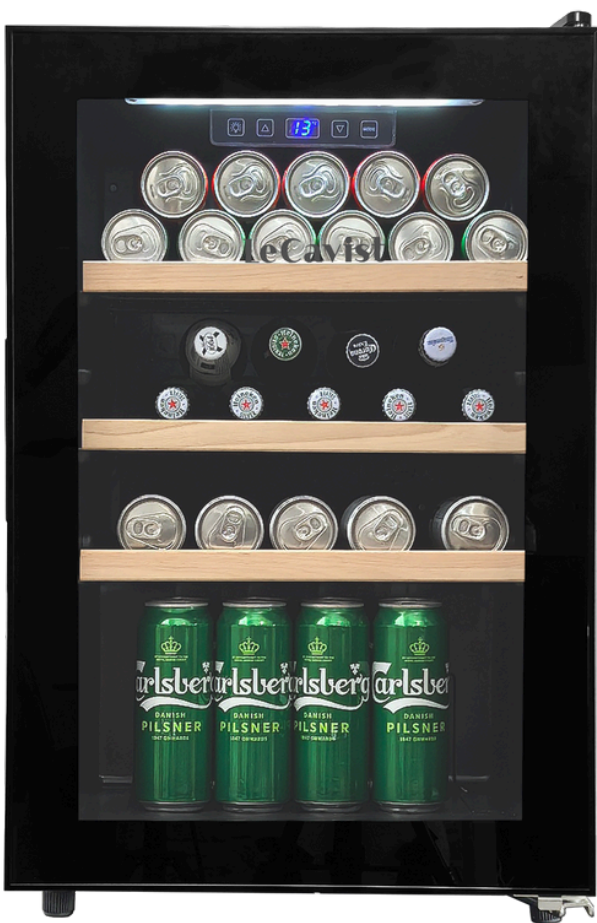

Double pane glass door
• Engineered to preserve consistent temperature and block external humidity, ensuring long-term storage stability for your collection.

Precise Temperature Control System
• Electronic control panel to monitor and adjust optimal temperature instantly.
• Designed for stability – maintain your wines at ideal conditions with effortless precision.

Single Zone Precision Control
• Maintain your entire collection at a uniform ideal temperature, tailored to your preferred wine style or seasonal selection.
• Simplified operation – set your desired climate once and enjoy consistent cooling performance.
