## Features

- ✓ **6 Motion Wash Technology**
- ✓ **Inverter Direct Drive Motor**
- ✓ **On-Board Heater (Vapour Mode)**
- ✓ **Smart ThinQ™ (Wi-Fi)**
- ✓ 14kg Capacity
- ✓ Inverter Direct Drive Motor System
- ✓ Smart Diagnosis™ 3.0
- ✓ Transparent Glass Lid
- ✓ 950rpm
- ✓ 12 Washing Programs with 6 Options

### 6 Motion Wash Technology

LG washers use a combination of 6 motions, based on hand-washing, to wash your clothes. Simply choose a cycle. Your washer works out the best combination to give you an outstanding wash, whilst also caring for your clothes.

### Inverter Direct Drive Motor

**Less Noise** - with less moving parts compared to other motor systems it creates less noise.  
**Greater Durability** - the direct drive motor system is at the heart of the machine, that's why you get LG's 10 Year Parts Warranty on the Inverter Direct Drive Motor<sup>1</sup>.

### On-Board Heater

The On-Board Heater allows this Top Loader to achieve a 60°C washing temperature when you need it, like when you are washing sheets or towels. Higher temperatures help remove common household allergens and stubborn stains.

### Smart ThinQ™ (Wi-Fi)

With a smartphone and the LG Smart ThinQ app the washing machine can "talk for itself" to find a solution to help save time and money on unnecessary call outs.<sup>2</sup> Once connected to your home Wi-Fi, you can remote set and start your washer and even view usage history. When you washing is complete, you will be notified on your Smartphone.<sup>3</sup>

<sup>1</sup> 2 Years parts and labour + 8 years on Inverter Direct Drive Motor (parts only)

<sup>2</sup> Compatible smartphone required, Android 4.1.2 (JellyBean) or later or iOS 8 or later required for LG Smart ThinQ app and Audible Smart Diagnosis feature.

<sup>3</sup> Mobile 3G/4G or WiFi connection, LG Smart ThinQ app is required for Remote Start, Usage History & Notifications
