

Product Details

FEATURES

Three separate zones	Double glazed door, with anti-UV glass	Audio & visual alarm	Winter function heating system
Thermal recycling pump	Hygrometry alert	Digital temperature display	Steel reinforced casing
Security Lock	LED internal lighting	Made in France	

BENEFITS

Stable Temperature

Our wine cabinets maintain a stable temperature to keep your wine in perfect cellaring conditions. This is thanks to its double glazed anti-UV doors, insulated side panels and interactions between a compressor and thermostat.

UV Protected Dark Storage Area

UV rays negatively impact the quality of your wine. Our cabinets eliminate this treat by incorporating UV treated tinted glass doors, dark interiors and dimmed internal LED lights.

Vibration Reduction System

To protect the storage life and quality of your wine, our cabinets have been designed to create a vibration proof environment by including an externally housed compressor, rubber shock absorbers and vibration absorbing wooden shelves.

Humidity above 50%

Our wine cabinets incorporate a Thermal Recycling Pump that ensures adequate humidity levels are maintained. The Thermal Recycling Pump works by heating condensed water, which is then introduced as humid air within the cabinet.

Frequent Air Circulation

Our cabinets include internal and external fans to ensure there is a slow reticulated air flow throughout the cabinet.

Specifications

WINE CELLARS

Domestic Warranty	2
Installation Type	Both
Door Style	
Door Type	Glass Door
Door Construction	
Handle	D-Shaped
Fridge door opening	Right
Refrigerant	R134A
Easy Capacity (Bottles)	165
Max Capacity (Bottles)*	209
Main Function	Cellar Red & White
Alternate Function	None
No of Zones	3
Temperature Range Zone 1 (deg)	17-18

WINE CELLARS

Air space at sides (mm)	10
Air space above cabinet (mm)	10
Weight Unloaded	97
Power Supply	240V / 10AMP
Electricity Consumption (kWh/Day)	0.8
Ambient Temperature (deg)	0-35
Display Panel	LED Digital Display
Castors and Feet	4 Adjustable Feet
Lock	Yes
Alarm	Audio & Visual
Lighting	Adhesive LED
Number of Shelves	10
Shelving Material	Steel & PS Shock
Shelving Type	6 Adjustable

WINE CELLARS

Temperature Range Zone 2 (deg)	10-14
Temperature Range Zone 3 (deg)	6-8
Height (mm)	1825
Width (mm)	680
Depth(mm)	690
Depth Door Open (mm)	1410

WINE CELLARS

Shipping Weight (Kg)	102
Pack Dimensions Height (mm)	1950
Pack Dimension Width (mm)	760
Pack Dimension Depth (mm)	730

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
