Cuvée Fresco

Introducing Cuvée Fresco—the ultimate fusion of refined wine preservation and outdoor luxury. Engineered specifically for open-air living, this collection brings high-performance cooling directly to your terrace, patio, or poolside kitchen.

Crafted with high-grade AISI 304 stainless steel, each unit offers exceptional durability and superior corrosion resistance against weather and humidity. Designed to protect your finest vintages and beverages under any conditions

Whether hosting an alfresco dinner or enjoying a quiet evening outdoors, Cuvée Fresco delivers uncompromising style, robust weather protection, and precision temperature control—elevating your outdoor entertainment experience.

33 Bottles Single Zone Outdoor Built-under – 88L

Cuvee Fresco

Signature Features

Built for Outdoor Living

AISI 304 stainless steel door, back cover and kick plate resist weather, humidity and corrosion.

Approx. 33 Bottles – 88L

Compact 380 mm wide footprint, ideal for outdoor kitchens, bars and poolside entertaining.

Precise Digital Control (2–18°C)

Touch control panel with fan-assisted compressor cooling for a stable, even temperature.

Low-E, Anti-UV Heated Glass Door

Tempered glazing with a heated middle layer prevents condensation and blocks harmful UV rays.

Reversible Wood & Steel Shelves

3 modular wooden shelves with stainless steel lip – bottles lying down or cans standing up.

Quiet, Secure & Fresh

39 dB operation, anti-vibration system, charcoal filter and built-in cylinder lock.
