ASSEMBLY INSTRUCTIONS

MARS TABLE BY MATTHEW HILTON

PARTS

1x Tabletop
1x Leg frame

HARDWARE

(3x) M8x25 Caphead screw

(3x) M8 Washers

YOU WILL NEED

- -6mm Allen Key
- -The help of a friend

NOTES

NOTE 1: Be certain that all assembly is carried out on a flat and stable surface. This will ensure a good final result. Reverse the steps to disassemble the piece.

NOTE 2: Your furniture arrives packed in numerous layers that protect it during transport. It is important that you remove the packaging carefully to avoid damaging your furniture. Refer to our information sheet "Unpacking Your Furniture" for further details.

NOTE 3: Great care is required when assembling our products. Use blankets to soften the assembly surface - hard surfaces such as wood or stone flooring may damage the furniture if in direct contact.

NOTE 4: We advise that assembly and disassembly of De La Espada furniture is undertaken by a minimum of $2\ \text{people}$.

NOTE 5: When screwing in bolts, tighten well, but be sure NOT TO OVERTIGHTEN. This can cause the thread to strip thus resulting in a poor connection.

NOTE 6: While you work, be sure all connections are flush with no gaps.

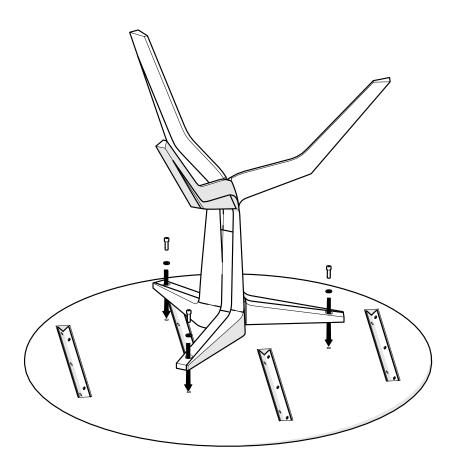

NOTE 7: After assembly, ensure that the table is resting on a level surface.
