

## *Cuvée Emilion*

*For those working with smaller spaces, our Cuvee Emilion line will provide compact and well-constructed wine fridge. This might just be the perfect solution. Its freestanding design lets you place the fridge anywhere: kitchen floor, living room, hallway, etc.*

*Despite its size, it packs a punch with features, including compressor cooling technology and a digital control panel to monitor the unit's temperature and interior lights. Best of all, the wine fridge keeps your bottles cool while maintaining quiet operation, thanks to a vibration-free system.*

157 Bottles Single Zone Wine Fridge – 438L

Cuvée Emilion

## Signature Features

### 157 Bottle Capacity

- The capacity needed for a social season and ideal to keep whites & reds

### Compressor operated

Compressor fridges for better cooling, lower energy consumption and reach lower temperature (5 to 20 degrees)

### Precise Temperature & Humidity Control System

- Digital LED display and intuitive digital control to monitor and adjust for optimal temperature and humidity with just a touch of your fingertips

### Anti-Vibration System

- 12 zig zag shelves and 2 acrylic lips with sliding rack allow more room for your wine and don't move easily

### Double layer tempered glass

- Protect your wine collection from harmful UV rays, while keeping the interior insulated and moisture out

### Single Zone & Australian Climate Class

- Blue LED interior light and touch screen controls the temperature zone-- Ideal for keeping your wine at a stable temperature
