

ICBDO3050PM/S/P

FEATURES

- Cook for a crowd, with two ovens and twice the capacity
- Preheats faster and cooks more consistently across all racks due to its advanced Dual VertiFlow™ convection system
- Assures predictably delicious results with a variety of modes, including Convection, Convection Roast, Proof, and Dehydrate and more
- Prepares 50 popular dishes with the Gourmet feature that automatically adjusts cook times and temperatures
- Handles multiple dishes simultaneously with our largest capacity oven
- Insert a temperature probe to tell you exactly when it is done—and in Gourmet Mode, it will alert you the moment the dish is ready.
- Uncomplicate cooking with innovative, interactive colour touchscreen controls
- Choose knobs in iconic red, black, brushed stainless, brushed brass, or brushed gray
- Integrates beautifully into surrounding cabinetry with flush installation
- Ensures excellent visibility via three bright halogen lights and large, triple-panel-glass door windows
- Master your technique with tips and recipes from the Mastering the M Series Oven guide
