Cuvée Fresco

Introducing Cuvée Fresco—the ultimate fusion of refined wine preservation and outdoor luxury. Engineered specifically for open-air living, this collection brings high-performance cooling directly to your terrace, patio, or poolside kitchen.

Crafted with high-grade AISI 304 stainless steel, each unit offers exceptional durability and superior corrosion resistance against weather and humidity. Designed to protect your finest vintages and beverages under any conditions

Whether hosting an alfresco dinner or enjoying a quiet evening outdoors, Cuvée Fresco delivers uncompromising style, robust weather protection, and precision temperature control—elevating your outdoor entertainment experience.

Cuvee Fresco

Signature Features

Built for Outdoor Living

AISI 304 stainless steel doors, handles, hinges, back cover and kick plate resist weather and corrosion.

Two Zones, Two Doors – 126L

A glass-door wine side and a solid-door beverage side in one 600 mm wide unit.

Precise Digital Control (2–18°C)

Finger-touch control with fan-assisted compressor cooling for stable temperatures in each zone.

Low-E Heated Glass Door

Triple-layer tempered glazing with a heated middle layer keeps the wine door clear of condensation.

Winter Function

25 W integrated heating keeps contents at the right temperature, even on cold evenings.

Quiet, Secure & Fresh

38 dB operation, charcoal filter, twin LED spots and lockable doors.

LCSOD126VX2Z

Dual Zone Outdoor Built-under – 126L

Cuvee Fresco

Feature Highlights

Wide Temperature Range

Set each compartment between 2 and 18°C on the finger-touch panel – crisp whites and sparkling on one side, chilled beers and soft drinks on the other.

Compact Dual Zone Design

Only 598 mm wide and 870 mm high, this unit fits under a standard outdoor benchtop while offering two independent storage areas.

LCSOD126VX2Z

Dual Zone Outdoor Built-under – 126L

Cuvee Fresco

Feature Highlights

Two Doors, Two Uses

A Low-E heated glass door showcases your wines, while a foamed door with a 304 stainless steel panel keeps beverages cold and out of sight.

Wood & Steel Wine Shelves

Three modular wooden shelves with a stainless steel lip cradle your bottles securely on the wine side.

LCSOD126VX2Z

Dual Zone Outdoor Built-under – 126L

Cuvee Fresco

Feature Highlights

One Shelf, Two Ways

Reversible shelves let you lay bottles down or flip them over to stand cans and tall bottles upright – adapt the layout to every occasion.

Flexible Installation

Use it freestanding on your terrace or build it under the counter of your outdoor kitchen or bar – front ventilation through a removable aeration grid makes it possible.
