## 054 GATES SOFA

By Jason Miller

Gates Sofa has a modern form with elements of a more traditional American design aesthetic. An upholstered body with unique tufting on the backrest is raised upon slender bronze legs.

### **MATERIALS**

#### UPHOLSTERY

Our full standard range of fabric and leather options. COM and COL available upon request.

#### METAL

Polished bronze legs.

### **NOTES**

The upholstery fabric or leather chosen will affect the appearance of the backrest tufts thus: the elasticity of the chosen material will determine how far each tuft reaches up the backrest.
