

TDD1-20

Tower Drawer Double

DCS Tower Drawers offer a convenient storage solution. Weather resistant and durable, the drawers are designed to store everything from tools to condiments and serveware. Understanding that outdoor kitchen designs require the same level of functionality as indoor, DCS Tower Drawers can be installed in many configurations.

Dimensions

Depth	25"
Height	21 7/8"
Width	20 5/16"

Features & Benefits

- Flexible storage**
DCS soft-close drawers with full extension slides provide easy access to your condiments, smoker wood chips, serving trays or grill covers.
- Premium quality design**
Constructed from 304-grade stainless steel, and featuring superior weld and finish, DCS tower drawers are built to last.

- Family match**
The neutral stainless steel finish, refined handle profile and consistent detailing ensure DCS built-in products install seamlessly into your countertop and cabinetry palette.
