### BENEFITS

---

**Fan forced for even cooking**  
When it comes to cooking, one of the biggest is even heat distribution over your dishes. By using fan forced cooking you are able to create an even cooking result.

**Grill separately for smooth entertaining**  
The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

**Clean your shelf supports with ease**  
When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

**Rear control for safety**  
Our rear control is easy to reach and angled to keep your cookers control away from smaller hands.

**Built in Australia**  
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
