Features & Benefits

Multi-shelf cooking

Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfect as food cooking on the bottom shelf.

Quality and durability

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable cooktop trivets and glowing halo dials all add up to an exceptional, premium range.

Easy to clean

Cleaning up spills is effortless. Your cooktop simply needs a quick wipe to keep it looking good as new. The pyrolytic self-clean oven cycle breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

Burner power & control

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer a delicate sauce to perfection.

Large capacity oven

The generous 140L total capacity oven gives you plenty of space to cook multiple dishes at once.

Even heat

Accurate, electronically-controlled oven heat ensures a great result every time.
