

**276L built-in bottom mount refrigerator with SoftClose hinges, DynamicAir technology & LCD touch controls**

RRP AUS \$3,299.00

## Product Details

### FEATURES

SoftClose hinges

DynamicAir Technology

LCD electronic touch controls

LED lighting

Coolmatic function

Frostmatic function

R600a refrigerant

High temperature alarm

Door open alarm

Frost free

Full width door bins

Dairy drawer

Adjustable glass shelves

### BENEFITS

#### SoftClose Hinges

The SoftClose door hinges guarantee a soft and precise door-closing performance while ensuring that the door will not remain open unnoticed.

#### DynamicAir Technology

Keep your food perfectly fresh with controlled storage conditions. DynamicAir Technology works to keep the interior temperature completely even on all levels throughout the whole refrigerator. By preventing warm zones forming inside the fridge, our DynamicAir Technology limits the risk of accelerated bacteria growth.

#### Coolmatic and Frostmatic

Quickly reach the optimum storage temperature for your fresh food. The Coolmatic function prevents this by lowering the fridge temperature for a short period after it has been re-stocked, before switching off automatically. The Frostmatic function activates the maximum freezing power to efficiently speed up the fresh food freezing process and lock in freshness and quality.

#### LCD Touch Controls

Take complete control of your settings at the touch of a finger. Our LCD display with advanced Touch Controls lets you take full control of the storage conditions of your food. The controls are so sensitive that they can be precisely adjusted with the lightest touch of a finger, while feedback can be viewed at a glance thanks to the clear LCD screen on the external control panel.

## Specifications

### PRODUCT PROFILE

Domestic warranty details (yrs)	5
Refrigerator Type	bottom mount
Exterior door finish	Cabinetry required (not included)
Fridge door opening	reversible
Cooling system	frost free
Refrigerant	R600a

### ENERGY

Energy Star Rating New	3
Energy consumption (KWhr/yr)	339

### DIMENSIONS

Total height (mm)	1780
Cabinet height (mm)	1768
Total width (mm)	560
Cabinet width (mm)	556
Total depth (mm)	550
Cabinet depth (mm)	549
Food compartment capacity (gross in litres)	198
Total Gross Capacity (L)	276

### REFRIGERATOR SYSTEM

Controls	electronic (with display)
Controls location	external
Controls type	touch
Control functions	coolmatic, frostmatic

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
