1. SpaceMax™ Technology
2. Fits standard Australian kitchens*
3. Plumbed Ice & Water Dispenser
4. Power Cool & Power Freeze
5. Modern design in brushed stainless steel finish

Key features & message hierarchy

Internal space efficiency with Space Max™ technology

SpaceMax™ technology uses minimal insulation, so the internal walls are thin to create more storage space inside without increasing external dimensions.

Designed to fit standard Australian kitchens*

Designed to fit under standard Australian kitchen bulkheads, it helps create a harmonious look for clean styling and an integrated, modern look*

Enjoy refreshingly chilled water or ice, straight from the fridge door!

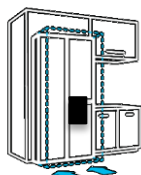

With the convenience of a plumbed Ice & Water dispenser, you can enjoy chilled water on demand. Perfect for entertaining!

Chill fast with Power Cool and Power Freeze

Enjoy rapid cooling performance at the touch of a button. Power Cool blows intensely cold air into the fridge to help quickly cool groceries or drinks, while Power Freeze delivers a fast blast of cold air into the freezer. Great for making ice!

Sleek & seamless design

The brushed stainless steel finish with flat doors and recessed handles adds a touch of elegance to your kitchen. Controls that are not frequently used are relocated to the inside of the fridge to give a seamless look.

DISCLAIMERS:

* Fits a standard 1800mm cavity. Please review full fridge dimensions to determine suitability.

General Info	
Model Code	SRS675DLS
RRP	\$2,499
SAP Code	RS64R5111M9/SA
EAN Code	8801643748920
Capacity & Energy	
Total Usable Space (Litre)	635L
Energy Star Rating	3.5 stars
Net Dimension (WxHxD)	912 x 1780 x 716 mm
Net Case Height with Hinge	1780 mm
Net Case Height without Hinge	1744 mm
Net Depth with Door Handle	716 mm
Net Depth without Door Handle	716 mm
Net Depth without Door	610 mm
Net Weight	109 kg
Packing Weight	116 kg
Gross Dimension (WxHxD)	974 x 1909 x 776 mm
