

DE LA ESPADA

685S TWENTY-FIVE BEDSIDE WITH UPHOLSTERY

by De La Espada Atelier

Crafted from solid timber and luxurious upholstery, Twenty-Five Bedside is tactile as well as functional. Offering generous yet compact storage with cable management, the bedside is available as a chest, with one shelf and one soft-close drawer; or as a table, with two shelves. The drawer front on the bedside chest features a recessed handle on top and bottom, hidden from view, to allow easy access to the drawer contents both when in and out of bed.

Thoughtful detailing includes magnets holding the upholstered panels in place to allow easy access to the cable management compartment, the recess in the tabletop serving to prevent items from rolling off, and the understated yet complex joint where the leg meets the top.
