BENEFITS

AirFry for that perfect, crunch Cooking for the whole family just got a whole lot easier. Our double AirFry tray lets you cook healthier meals straight from your oven with minimal oil. Plus, you don't have to worry about turning your food, the heat comes from both above and below the tray, delivering perfect crunchy results.	Tastier baking starts with steam Take your baking to the next level with our EasyBake +Steam function. Steam helps you get a better rise, crispier crust, a fluffier centre and tastier textures for all your bread, pastries, cakes, and puddings.
Dinner's done sooner with our fast heat up oven Why wait longer? Our fast oven heat up means you can get on with the job of getting dinner on the table sooner.	Ovens that clean up after themselves Even cleaning up is easier with Westinghouse. Choose a PyroClean oven and with the press of a button you can keep your oven shiny and clean. The oven turns on to an extremely high temperature, turning grease and grime into ash. All you need to do is simply wipe the residue away. No nasty chemicals, no greasy mess just a sparkling clean oven with minimal effort.

Designed for ease and safety

Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.

Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.

Place your shelves in with ease

Our easy guide side racks allow you to place your oven shelves in with ease.
