784 SOLO DESK

By Neri&Hu

Solo is a generously proportioned solid wood desk with beautiful brass detailing. It reflects the same warm modern aesthetic, thoughtful functionality, soft curved edges, and attention to detail of the rest of the Solo series.

Organisation is carefully considered, with three storage drawers spanning the width of the desktop, and an elegant cable management compartment at the back of the desk which can accommodate an optional pencil tray. Underneath the desk, on either side, a bar made from brass and timber is suspended to hang various accessories, including a leather-lined wooden tray that stores and collects your precious objects.
