- Wi-Fi enabled and works with the SmartHQ™ app for remote control and notifications

DIMENSIONS

Height 820 - 880mm

Width 597mm

Depth 574mm

FEATURES & BENEFITS

SEAMLESS DESIGN

Install this dishwasher flush under your benchtop with minimal gaps. Designed to match Fisher & Paykel's Contemporary family of appliances for a seamless finish in your kitchen.

ADVANCED DRYING

For beautifully dry dishes every time, this dishwasher features an

advanced drying system that combines fan-assisted drying and automatic door opening at the end of the cycle. By opening to release excess steam, Auto Door Open Dry helps to ensure your dishes come out dry and ready to use or store.

A RELIABLE CLEAN

This dishwasher offers seven wash programs including Auto, which automatically senses the optimal wash settings for your dishes. The three-stage filtration system delivers a superior clean, while the rinse aid indicator reminds you to top up for beautifully clean dishes.

CUSTOMISE YOUR WASH

Create the perfect wash with our range of modifiers, from Intensive for a thorough clean to Half Load, ideal for a partial load. The Sanitise modifier provides extra protection, killing 99.9% of bacteria* in the final rinse, while Dry+ is great for plastic dishes. *Certified to NSF/ANSI Standard 184

QUIET PERFORMER

Running at a very low decibel rating, this dishwasher does its job without making a fuss. The combination of clever technology and simple mechanics means greater reliability and superior wash performance, with minimal noise.

EFFICIENT PERFORMANCE

With a 4.5 star energy rating and 5.5 star water rating, this dishwasher delivers a powerful wash. Use the Eco wash program for optimal water and energy consumption, or choose when the cycle begins with Delay Start.

FLEXIBLE LOADING

Designed to fit 15 place settings, this spacious model lets you stack large items with ease. Adjustable rack options provide flexibility for any load, with a full-width cutlery tray, height-adjustable middle rack, cup holders and wine glass supports.
