Features

10 place settings

Quick 30 minute wash option

Excellent WELS and Energy ratings
3 star WELS
3 star Energy

Unloaded adjustable top basket

Anti-overflow device

Natural drying system

Small and compact

Benefits

Larger than most 45cm dishwashers, this tiny little cleaning machine can accommodate more than just a standard family sized offering.

Quick and efficient, whilst giving superior results.

Providing very low energy and water usage.

The top basket adjusts to offer maximum space in the lower basket.

Offers peace of mind as this device prevents the overflow damage.

This is the most economic drying system, using natural evaporation of the steam when the door is opened.

Fitting into a width that is no more than 45cm, this dishwasher is the perfect solution for small spaces, or even for those that appreciate more available cabinet space
