This Fisher & Paykel 30cm gas on glass cooktop with one burner is perfect for compact kitchens.

Gas on glass

Dimensions

Depth	530mm
Height	59mm
Width	300mm

Features & Benefits

<p><b>Perfect results</b></p> <p>Our award-winning Gas on Glass Cooktops deliver total cooking precision with the latest burner technology. The consistent flame and heat distribution of the dual flame wok burner combined with highly responsive dials offer precise heat control.</p>
<p><b>Designed to match</b></p> <p>The black reflective glass, brushed stainless steel and polished metal trim blend elegance with durability and is designed to match the Fisher &amp; Paykel family of appliances.</p>
<p><b>Precise control</b></p> <p>Simply turn the dials to ignite the flame quickly and safely. Precise heat adjustment from very high to very low heat can perfect a slow simmer for sauces or an intense heat for searing steaks.</p>
<p><b>Safe and sound</b></p> <p>The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished. Eco-friendly ceramic glass, without arsenic or heavy metals, is used in the manufacturing process.</p>
<p><b>Easy cleaning</b></p> <p>Life is made a little easier with this easy to clean glass cooktop. The design allows you to simply remove the trivets, wipe down the glass and walk away.</p>
<p><b>Handy accessories</b></p> <p>This cooktop comes with a small pot support and wok stand to complement different cooking styles.</p>
