

AA490111
Vario control knob ventilation 400 series
Stainless steel

Solid stainless steel control knob
Can be combined perfectly with other Vario appliances of the 400 series
Motorless, can be combined with Gaggenau BLDC remote fan units

Handling
Control knob with illuminated ring and output marking.

Features
3 electronically controlled power levels and 1 intensive mode.
Run-on function, 6 min.

Planning notes
The separate electronics housing is to be installed so that it is accessible. Secure the control unit to the side panel of the cabinet, not to the base of the cabinet or the kitchen floor. When installing a ventilation hood with air extraction mode and a chimney-vented fireplace, the power supply line of the ventilation appliance needs a suitable safety switch.

Connection
Total connected load 10 W.
Connecting cable 1.8 m, pluggable.

Characteristics
Dimensions of the product (mm)
Dimensions of the packed product (HxWxD) (mm)
130 x 330 x 400
Dimensions of the master case (mm)
Pallet dimensions
170 x 80 x 120
Quantity per packing unit
Standard number of units per pallet
72
Units per layer
Net weight (kg)
2.9
