

Versatile and stylish 129-bottle Single Zone wine cabinet, which can be set for cellaring wines OR serving your red or white wines at the ideal drinking temperatures. *Capacity is based on 750mL Bordeaux bottle shape and size.

Product Details

FEATURES

Child Proof Lock Child-proof lock your cabinet to avoid unauthorized access to your collection.	Top LED Lighting Perfectly showcase your collection with our energyefficient, UVfree LED lighting. Positioned at the top, so the lighting is not obstructed by wine bottles, creating a smoother appearance with more uniform diffusion. The lighting is dimmable to suit both home and restaurant environments, with dynamic effects when opening and closing the door, as well as alerts for prolonged door openings before an audio warning is triggered.	Tempered Triple Layer, Double Low-E Glass Door The triple layered tempered glass door ensures protection from UV rays and prevents your wine spoiling due to light damage. It creates the optimal environment for your wine's maturation.	Natural Ash Wooden Shelves 4 Fixed full depth and 1 Fixed half depth natural Ash wooden shelves that allow you to adjust the height.
Store up to 129 Bordeaux Style Bottles Maximum loading capacity is 129 bottles of Bordeaux shape and size (750ml).	Air Filter Helps protect the wine cabinet from undesirable odours. Filters internal air to limit stale odours from developing in your wine cabinet. For optimal performance, replace every 6 months.	Door Stop Provides a natural stop when opening the wine cabinet's door and limits the risk of damaging the glass.	Cut-Off Thermostat Extra safety mechanism that prevents temperature to drop below accepted levels. In the unlikely event of malfunction of the cooling system, this safety mechanism shuts off the compressor and avoids excessively low temperatures.
Humidity Recycling System High humidity levels are maintained in the wine cabinet when set at cellaring temperature (12-14C), preventing corks from drying out.	Sleek Intuitive Touch Controls Configure the temperature with ease with the intuitive touch controls.	Reversible Door Reverse the door to optimize access to your wine cabinet.	Audio and Visual Alert When door is left open for more than 5 minutes, a visual notification kicks in, followed by an audio alarm (after additional 2 minutes). The alarm also notifies too high or too low temperatures that put wines at risk.

Dedicated Cellaring Mode
Dedicated mode which sets the temperature of your wine cabinet at 12C the ideal temperature for cellaring all wines (reds, whites and sparkling).

Inverter Compressor
Energy-efficient Variable Speed Compressor: saves energy and emits lower noise and vibrations, while provides great temperature stability and has longer life compared to a single speed compressor.

5 year Warranty on Compressor
This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.

BENEFITS

Premium Scandinavian Design
Designed in Sweden, Vintec prioritises simplicity and the seamless integration of form and function. This design philosophy complements Vintec's focus on both wine preservation and aesthetic appeal, resulting in sophisticated wine storage solutions that blend effortlessly into modern living spaces. VWS140FAB

Vintec is the specialist in wine cabinets for over 20 years and number 1 preferred premium specialist wine cabinet brand. For over 20 years, Vintec has been the specialist in climate-controlled wine storage solutions in Australia. Vintec is the number one preferred premium specialist wine cabinet brand.*Kantar brand Health study May 2026 VWS140FAB

Freestanding Installation
This Vintec cabinet is to be installed freestanding into the home (eg. Kitchen, living room or office).

Single Zone for Cellaring or Serving
Since all wines - red, white, and sparkling are best stored at a consistent temperature of 12°C for proper cellaring, our Single-Zone wine cabinets are perfect for long-term preservation. They also offer the option to adjust temperatures for serving: 6-8°C for sparkling, 8-13°C for white, and 15-18°C for red wines. VWS140FAB

Adjustable LED Top Lighting with 3 colour settings
Perfect visibility of your wine collection with our energy efficient, LED lighting with 3 colour settings (warm, natural and cool). The light is not blocked by wine bottles, resulting in a smoother appearance with a more uniformed diffusion. VWS140FAB

Natural Ash Fixed Wooden Shelves
The Vintec natural and unvarnished Ash wooden shelves support your bottles laying down neck-to-neck, in a horizontal position. Designed for wine, these shelves minimize any vibrations, protecting your wine collection. VWS140FAB

Stylish, Seamless Tempered Triple Layer Anti UV Glass Door with Double layer Low E Glass
The stylish, transparent tempered glass door allows you to showcase your wine collection while providing a UV-light resistant environment, assisting to prevent your wines from spoiling due to light damage. With no protruding handles, it offers a seamless feel and an elegant finish. VWS140FAB

Quiet Inverter Compressor
Our Variable Speed Inverter Compressor is quiet and efficient in energy consumption. It slowly and gently cools with greater temperature control. Cushioned with in built absorbers, vibrations are minimised, so that your wines are stored in a calm, protected environment where they can mature steadily. VWS140FAB

The Vintec Club

The Vintec Club is a private club for owners of Vintec, focused on content, offers and experiences on cellaring, storing and serving wine. Owning a Vintec is the key to accessing exclusive wine industry benefits and services and receiving invitations to unique wine dinners and tastings in the company of celebrated winemakers and sommeliers. Find out more at vintecclub.com.

Peace of Mind with The Vintec 5 Pillars Of Wine Storage

Vintec Wine Cabinets attempt to recreate the conditions found only in the best natural underground wine cellars by strictly adhering to the Vintec 5 Pillars of Wine Storage: Stable Temperature, High Humidity, UV-Free / Dark Storage Area, No Vibration, Quality Airflow.

Sleek Intuitive Touch Controls

Configure your wine cabinet temperature and lighting with ease with the intuitive touch controls. Set temperatures based on cellaring or serving your wines to achieve their optimal taste.

5 year Warranty on Compressor

This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.
