Rail 750x4 Rails**
3435000904 — Polished
Stainless Steel

i 11 finishes available

Please note

- In-Wall fixing system to be install securely behind the finished wall surface.
- This product operates with 12V. The supplied transformer must be installed by a licensed electrician in a position within 2 meters of the closest heated rail.
- Fasten the fixings to the finished wall and then connect the electrical wires.
- Attach the rail to the wall fixings and secure.
- Switch on the mains supply and allow 30-60 minutes to allow rail to reach maximum temperature.
- This is only an installation guide. Rogerseller recommends having the product on-site before commencing rough in.
- Full installation instructions come with the product or at request.

Specifications

It is a requirement of State Codes that licensed electricians carry out all electrical installations. All installations should comply with the relevant requirements and local codes.

Care and Maintenance

[1] Product should be inspected for surface damage prior to installation. [2] Cleaning and handling of all finishes must be performed carefully. [3] Clean products using a soft cloth with warm soapy water only. [4] Never use harsh detergents or abrasive cleaners as these will damage the product. [5] Water marks can be removed from Matt Finishes with an application of a carnauba wax based non-abrasive polish on a microfibre cloth. [6] Do not use undue pressure when cleaning and wipe in one direction only. [7] Contact with harsh chemicals such as hair dye, hair bleach etc with result in damage to the finish. [8] Tapware should never be installed using acetone silicones. [9] Avoid the use of wax based furniture creams as this can result in a build up of deposits which will detract from the appearance. [10] Avoid the use of wax based furnitures creams as this can result in a build up of deposits which will detract from the appearance. [11] Damage to finishes arising from improper installation or post installation use or failure to observe the above care and cleaning instructions will void all warranty agreements.

Warranty

Rogerseller tapware, bathroom fittings and sanitary ware are covered by a five (5) year warranty from date of purchase. For full terms and conditions please refer to rogerseller.com.au
