

Versatile and stylish 169-bottle Single Zone wine cabinet, which can be set for cellaring wines OR serving your red or white wines at the ideal drinking temperatures. *Capacity is based on 750mL Bordeaux bottle shape and size.

Product Details

FEATURES

Child Proof Lock Child-proof lock your cabinet to avoid unauthorized access to your collection.	Left and Right Side LED Lighting Perfectly showcase your collection with our energyefficient, UVfree LED lighting. Positioned on the left and right sides, so the lighting is not obstructed by wine bottles, creating a smoother appearance with more uniform diffusion. The lighting is dimmable to suit both home and restaurant environments, with dynamic effects when opening and closing the door, as well as alerts for prolonged door openings before an audio warning is triggered.	Precision control TFT Display screen High clarity TFT display provides a sleek, modern interface with crisp graphics and precise control.	Tempered Triple Layer, Double Low-E Glass Door The triple layered tempered glass door ensures protection from UV rays and prevents your wine spoiling due to light damage. It creates the optimal environment for your wine's maturation.
Natural Ash Wooden Shelves 7 Fixed full depth and 1 Fixed half depth natural Ash wooden shelves that allow you to adjust the height.	Store up to 169 Bordeaux Style Bottles Maximum loading capacity is 169 bottles of Bordeaux shape and size (750ml).	Air Filter Helps protect the wine cabinet from undesirable odours. Filters internal air to limit stale odours from developing in your wine cabinet. For optimal performance, replace every 6 months.	Door Stop Provides a natural stop when opening the wine cabinet's door and limits the risk of damaging the glass.

Cut-Off Thermostat

Extra safety mechanism that prevents temperature to drop below accepted levels. In the unlikely event of malfunction of the cooling system, this safety mechanism shuts off the compressor and avoids excessively low temperatures.

Humidity Recycling System

High humidity levels are maintained in the wine cabinet when set at cellaring temperature (12-14C), preventing corks from drying out.

Reversible Door

Reverse the door to optimize access to your wine cabinet.

Audio and Visual Alert

When door is left open for more than 5 minutes, a visual notification kicks in, followed by an audio alarm (after additional 2 minutes). The alarm also notifies too high or too low temperatures that put wines at risk.

Dedicated Cellaring Mode

Dedicated mode which sets the temperature of your wine cabinet at 12C the ideal temperature for cellaring all wines (reds, whites and sparkling).

Inverter Compressor

Energy-efficient Variable Speed Compressor: saves energy and emits lower noise and vibrations, while provides great temperature stability and has longer life compared to a single speed compressor.

5 year Warranty on

Compressor
This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.

BENEFITS

Premium Scandinavian Design

Designed in Sweden, Vintec prioritises simplicity and the seamless integration of form and function. This design philosophy complements Vintec's focus on both wine preservation and aesthetic appeal, resulting in sophisticated wine storage solutions that blend effortlessly into modern living spaces. VWS175FAB

Vintec is the specialist in wine cabinets for over 20 years and number 1 preferred premium specialist wine cabinet brand. For over 20 years, Vintec has been the specialist in climate-controlled wine storage solutions in Australia. Vintec is the number one preferred premium specialist wine cabinet brand.*Kantar brand Health study May 2026 VWS175FAB

Flexible Installation: Free-Standing or Slot-in

This Vintec wine cabinet can be installed free-standing OR slot-in to a home (e.g. Kitchen, living room or office). VWS175FAB

Adjustable LED Side Lighting with 3 colour settings

Perfect visibility of your wine collection with our energy efficient, LED Left and Right side lighting with 3 colour settings (warm, natural and cool). The light is not blocked by wine bottles, resulting in a smoother appearance with a more uniform diffusion. VWS175FAB

Precision control TFT Display screen to navigate settings with ease

The TFT control screen offers precision control, beautifully displayed, presenting every setting with exceptional clarity and understated luxury. Its refined, high resolution interface makes caring for your wine effortless, while enhancing the overall elegance of your fridges design. VWS175FAB

Natural Ash Cradle Wooden Shelves (non-extendable, adjustable position)

Store your entire collection with our adjustable, wide slat, premium Ash wooden shelving. The Vintec Perfect Cradle shelving is designed with optimised spacing to accommodate bottles comfortably neck-to-neck, allowing stacking of multiple layers of wines in each shelf. VWS175FAB

Stylish, Seamless Tempered Triple Layer Anti UV Glass Door with Double layer Low E Glass

The stylish, transparent tempered glass door allows you to showcase your wine collection while providing a UV-light resistant environment, assisting to prevent your wines from spoiling due to light damage. With no protruding handles, it offers a seamless feel and an elegant finish. VWS175FAB

Quiet Inverter Compressor

Our Variable Speed Inverter Compressor is quiet and efficient in energy consumption. It slowly and gently cools with greater temperature control. Cushioned with in built absorbers, vibrations are minimised, so that your wines are stored in a calm, protected environment where they can mature steadily. VWS175FAB

The Vintec Club

The Vintec Club is a private club for owners of Vintec, focused on content, offers and experiences on cellaring, storing and serving wine. Owning a Vintec is the key to accessing exclusive wine industry benefits and services and receiving invitations to unique wine dinners and tastings in the company of celebrated winemakers and sommeliers. Peace of Mind with The Vintec 5 Pillars Of Wine Storage

Vintec Wine Cabinets attempt to recreate the conditions found only in the best natural underground wine cellars by strictly adhering to the Vintec 5 Pillars of Wine Storage: Stable Temperature, High Humidity, UV-Free / Dark Storage Area, No Vibration, Quality Airflow.

Single-Zone for Cellaring or Serving

Since all wines - red, white, and sparkling - are best stored at a consistent temperature of 12°C for proper cellaring, our Single-Zone wine cabinets are perfect for long-term preservation. They also offer the option to adjust temperatures for serving: 6-8°C for sparkling, 8-13°C for white, and 15-18°C for red wines.

Borderless Black Glass Finish

Borderless Black Glass covers the full surface of the door, with no protruding handles, offering a seamless feel and an elegant finish, and stunning way to showcase your wine collection.

5 year Warranty on Compressor

This Vintec cabinet comes with a 5-year warranty on its compressor. We recommend registering your product with us, so that we can help you more quickly and efficiently.
