IsoFront™ - A genuine cooler door	SoftMotion™ hinges	European A+ Class Energy Rating	Anti-fingerprint stainless steel
FloodLight™ system			

---

### BENEFITS

---

#### ADD STEAM FOR CRISPIER RESULTS

The SteamBake button in this oven adds steam at the beginning of the baking process. The steam cooking keeps the dough moist on the surface to create a golden colour and tasty crust, while the centre stays soft and tender.

#### Pyroluxe™ Self Cleaning

The advanced self-cleaning function takes all the effort out of keeping your oven clean. By heating the oven to 500C, all food residue is turned to ash, which can then be simply wiped out with a damp cloth.

Rare. Medium. Well done. At your command with SenseCook Your personal sous chef. Use the Food Sensor to tell the oven how you want your dish cooked using just the words you would in a restaurant rare, medium, or well done. Without even opening the oven door, everything from tender joints of meat to molten chocolate fondants are controlled and mastered. At last, an oven that speaks your language.

#### SoftMotion™ Hinges

The AEG SoftMotion™ hinges remind the consumer of the quality of their oven every time they effortlessly open and close the door.

#### MaxiView™ Enlarged Window

The enlarged window on the door is 20% larger than previous models, so now you can see exactly whats happening throughout the entire cooking process.

## Specifications

### PRODUCT PROFILE

Domestic warranty details (yrs)	5
Type of Oven	single Pyroluxe
Oven fuel	electric
Materials/Colour	anti-fingerprint stainless,black ceramic glass
Controls of Oven	retractable control knobs
Cooling fan	Yes

### FLUSH FIT CUT OUT

Flush fit cut out height (mm)	600
Flush fit cut out width (mm)	600
Flush fit cut out depth (mm)	580

### DIMENSIONS

#### PRODUCT DIMENSION

Total height (mm)	594
Total width (mm)	595
Total depth (mm)	567

### MAIN OVEN

Gross capacity litres	77
Useable capacity litres	71
Oven function	Pyrolytic
Number of functions	10

## SECOND OVEN OR GRILL

Fold down grill element	No
Closed door grilling	Yes
Layers of glass in door	4

## OTHER FEATURES

Program Options	core temperature sensor
-----------------	-------------------------

## MAIN OVEN

Oven Functions	defrost,pyroluxe,conventional cooking/traditional bake,grilling,pizza grilling,true fan,turbo grill,bottom,fast heat up,moist fan baking
Oven liner	pyrolux high temperature enamel

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
