What is the DNA that binds together to form the Boutique Collection?

Fibre-Rock® – Unique midnight black Fibre-Rock® wood-fibre composite kitchen accessories, perfectly integrate & enhance the style and functionality of the Boutique sinkware collection.

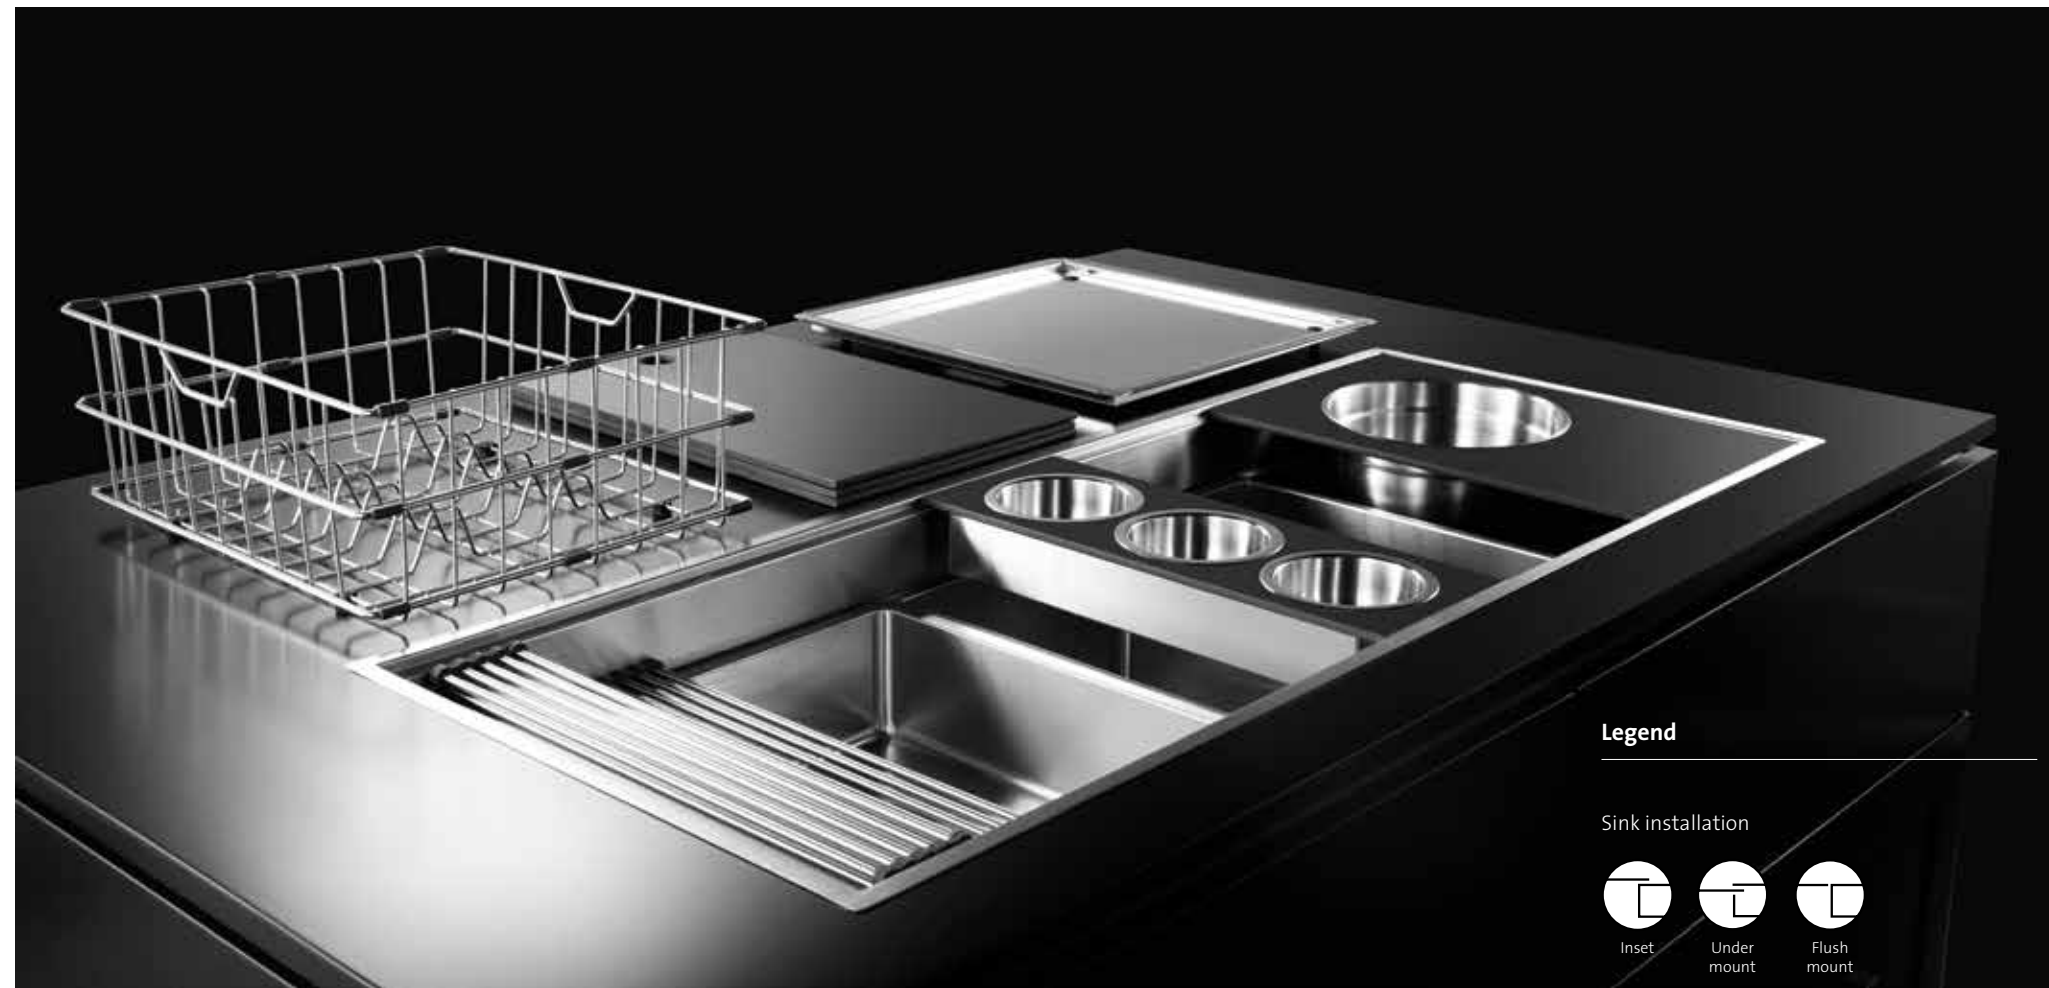

Fully Kitted – All Boutique sinks are fully kitted out with a number of stylish, versatile and supremely functional kitchen accessories, to give you the ultimate home chef experience.

Recessed Waste – Using a specially crafted tool, Boutique sinkware have a deeper recessed waste kit so the waste kit cover sits flush with the bottom of the sink bowl.

1.2mm SS – All Boutique sinkware is crafted from extra thick 1.2mm SUS 304 stainless steel for long-lasting durability.

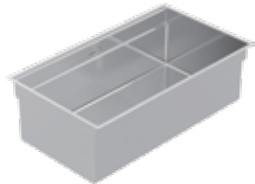

No Crease Lines – Unlike regular fabricated (hand-made) sinks with crease lines in the bottom of the bowl to create water fall towards the waste kit, our Boutique range has a specially formed sink bottom that allows fall without the lines, creating a smooth minimalist style.

Infinity-Edge – Enhancing the minimalist modern design, is the sleek 15mm Infinity-Edge, polished to a high-lustre gloss finish.
