

ULTIMATE PURE ANTI-CALC FV9849

ULTIMATE PURE
POWERFUL & EFFICIENT

Powerful

2400
WATTS

2400W for a fast heat-up

This perfect steam iron for everyday needs, 2400W of power ensures a quick heat-up time, for performance that's there for you whenever you need it.

UP TO
55
G/MIN

Efficient ironing results

A continuous steam output of up to 55 g/minute. For fast ironing sessions made easy, offering perfect results in no time.

UP TO
260
G/MIN

Powerful steam boost

A potent steam boost of up to 260 g/minute delivers enough raw power to tackle thicker fabrics and stubborn creases.

Large water tank for long ironing sessions

Thanks to 350 ml water tank capacity, you will comfortably go through your long ironing sessions.

Uniqueness

Exclusive 2-in-1 Micro-Calc Filter : delivers 100% filtered steam to stop calc stains on linen*

A brand-new exclusive calc management system uses innovative Micro-Calc Filter for a 2-in-1 action: calc is stopped by the filter and pure steam delivered onto the linen. The Micro-Calc Filter is easily removable and easy to clean. Enjoy worry-free ironing and exceptional results!

Convenient

Safety auto-off

Switches automatically to standby mode when left unattended—after 8 minutes when left on its heel, and after 30 seconds when on its soleplate or side.

High-quality soleplate

Ranked #1 in glide by Tefal, the new Durilium Airglide soleplate ensures impressive performance and wide steam coverage, with patented technology and durability.

Anti-drip to keep the linen spotless

The anti-drip function prevents water from dripping and staining your linen while ironing.

Automatic Steam setting

You don't have to worry about selecting the amount of steam. Just select the temperature for the type of linen you're ironing and the iron will do the rest.

*stops calc particles > 0.2 mm
