Features	Benefits
Intensive speed function	This provides an additional air movement for a period of 10 minutes. After 120 minutes it will revert back to the original speed setting.
Timer	Rangehood will continue to function on the chosen speed for 15 minutes. After which the rangehood will automatically switch off
Clean Air Function	Function can be activated once the rangehood has been turned off. Rangehood will 'activate' for 10 minutes every to help reduce lingering cooking odours (after cooking is complete).
Filter Saturation alarm	Display will indicate when aluminium filter and carbon filter needs to be replaced.
900m³/hr air movement	Cleaner air and reduction of condensation, protects kitchen surfaces such as walls and cabinets from grime and build up.
Push Controls – green LED displays	Push button controls, 4 speeds (including intensive) to suit your cooking needs.
2 X 20 W Halogen Lights	<ul style="list-style-type: none">Provides a brighter clearer cooking spaceClearer visibility when cooking
2 Aluminium Grease Filters	Easy to clean as it can simply hand washed or put into the dishwasher.
