

# 90cm Gas Cooktop with Stainless Steel Surface

## ILSS905

### Bevelled Edge Finish

The entire outer edge of the hob is bevelled, bringing an appealing design finish to your kitchen surface.

### Superinox Stainless Steel

The Superinox surface is constructed from a 4.8 mm thick sheet of steel, with a wide pattern brushed finish and diamond-edged bevel

### High Powered Wok Burner (Dual)

Perfect for cooking with broad-based pans and Wok pans . Controlled by Dual control knob it allows you to just use the inner ring with small pans for simmering sauces or the entire burner for intense high heat cooking.

### Individual Cast Iron Trivets

The individual square-based trivets provide excellent stability for the pots. Thanks to their heavy duty construction, they are durable and long lasting.

### Brass Burners

More efficient than regular burners, they provide improved gas flow and power use without increasing consumption.

### Cast Iron Cradle

Essential for cooking with small pans or for using traditional coffee pots, this new cast iron cradle provides improved stability.

### Steel Burner Housing

The steel burner housing keeps glass away from heat source and collects liquid due to accidental spills.

### Colour Palette

Stainless Steel
