We all adore the scrumptious smells that billow from your favourite dishes from the BBQ, but not when those smells hang around long after you are finished cooking. ILVE's BBQ rangehood is designed to keep your outdoor living and entertaining area fresher and cleaner. ILVE's BBQ rangehood craftily stand above the rest. It's powerful high speed fan removes cooking odours, smoke and vapour, while the stainless steel baffle filters trap all grime and are easy to clean. In-built LED Lights produce a natural brightness, illuminating your cooking area while the streamlined electronic control panel ensures quiet air extraction is at your fingertips. It is easy to see that ILVE Rangehood's are built to extract!
