Product Details

FEATURES

Steamify

Fast heat-up
Fast heat-up warms your oven to the desired temperature quickly so you can start cooking sooner.

SteamBoost

Dough proving program
The warming drawer creates the ideal environment for your dough to rise when baking bread at home.

SenseCook food sensor
Select your cooking preference, insert the Food Sensor and the oven will do the rest with SenseCook.

Intuitive TFT display
Full touchscreen TFT display with preset programs and sous-chef like support.

Slow Cooking
Get those tender results with the built in Slow Cooking function.

Defrost setting

160 automatic programs

AEG Home App

BENEFITS

AUTOMATICALLY ADJUST STEAM WITH STEAMIFY

Mastering precise results with steam have never been easier. The Steamify function automates steam cooking through an intuitive touchscreen user interface. Simply select your desired cooking temperature and Steamify will add the optimal amount of steam to match, bringing out the flavours and textures in the food you cook, while preserving nutrients for deliciously healthy eating.

STEAM. JUICY AND CRISPY

SteamBoost works in exactly the same way as a traditional cooking method, with the added benefit of steam. Locking in the natural moisture to deliver a whole range of juicy and succulent dishes including meat, fish, casseroles, and vegetables even desserts. It is all about taste, and lots of it.

SENSECOOK. JUST SENSATIONAL.

Rare. Medium. Well done. At your command with SenseCook. Select how you would like your food cooked, insert the Food Sensor, and your oven will do the rest. Without even opening the oven door, everything from tender joints of meat to molten chocolate fondants are controlled and mastered. At last, an oven that speaks your language.

CONTROL AND PRECISION

The responsive touch-screen TFT display gives intuitive access to the different functions of the oven and provides you with direct feedback, ensuring you have full control at your fingertips.

THE PERFECT RISE

The warming drawer is the ideal environment for your dough to rise when baking bread. Now you can turn out home-made loaves with the perfect shape and scrumptious texture created by a professional baker.

YOUR BUILT-IN COOKING GUIDE

160 specially designed pre-set recipe programs mean you can select the dish you want to cook and let the oven do the rest.
