

# NN-CF874BQPQ

32L Black Flatbed Inverter Sensor Convection Microwave

# CF874B

## KEY FEATURES & BENEFITS

### Inverter Technology

Panasonic Inverter technology delivers graduated power continuously so the food is evenly cooked, preserving texture and flavour, and preventing spills, burnt edges and cold spots.

### Genius Sensor Cooking

Pre-programmed cooking cycles with sensor automatically adjusts the cooking time & power levels, with a touch of a button.

### Flatbed Design

This exclusive No-Turntable design allows for greater space inside the microwave, providing the flexibility to use rectangular or larger dishes. This clear interior design also makes the microwave easier to clean.

### Total Combination

All cooking possibilities are available and can be used at the same time so you can experience the best of each combination.

### Total built-in package

Built-in trim kit is also available.
