

DREAME

D10 Plus Gen 2

Auto-Empty Robot Vacuum and Mop

D10 Plus Gen 2

Outlast the mess: one bag, no worries.

D10 Plus Gen 2 is a dynamic cleaning solution that elevates your home maintenance routine. With powerful 6,000Pa suction, it effortlessly clears dirt from various surfaces, aided by a floating rubber brush for effective cleaning. Enjoy the convenience of 90 days of automatic dust collection thanks to the spacious 4L dust bag. Customize your mopping experience with a large 150ml water tank, offering easy adjustment for your preferred moisture levels. Plus, smart Pathfinder™ technology ensures smooth navigation, helping the robot vacuum avoid obstacles for seamless cleaning.

Key Features

Sweeps Dirt with 6,000Pa Suction & Floating Rubber Brush

Experience unmatched cleaning prowess with 6,000Pa* Vormax™ suction power, energized by a high-performance motor and offering four customizable suction levels. The innovative floating rubber brush efficiently removes dust, ensuring pristine carpets with minimal tangling, which is ideal for pet owners.

*6,000Pa: Based on tests in Dreame Lab. Actual performance may vary depending on the real-world environment and usage.

90 Days of Automatic Dust Collection

Enjoy hands-free cleaning with our Set-and-Forget dust collection system. This feature automatically handles dust disposal, revolutionizing your routine. With a 4L dust bag capacity, enjoy up to 90 days* of uninterrupted cleaning convenience.

*90 days: Based on a calculation derived from environment testing in Dreame Lab. Actual performance may vary depending on usage.

Mop Dirt and Suck Dust with Powerful Vac-Mop Combo

Customize moisture levels with the D10 Plus Gen 2's 2-in-1 vacuum and mop. Its 150ml clean water tank offers three flow settings for tailored cleaning. Plus, the high-capacity dust box keeps dirt contained, preventing leaks and odors.

Smart Mapping and Obstacle Avoidance

Transform your cleaning routine with Smart Pathfinder™ technology and precision obstacle avoidance, generating intuitive, editable maps to easily avoid obstacles.
